

NGRREC

Illinois RiverWatch Network REFRESHER WORKSHOPS

For Certified Citizen Scientists

Workshops are from 10am–2pm. We will begin with the lecture session from 10am-noon, followed by the field training session (at a local stream) from 12:30-2pm. Please bring a snack or sack lunch. If a site map is available, please print it and bring it with you. Some buildings, particularly on a campus, are difficult to locate without a map.

You must register prior to attending a workshop. To register, contact Vera Bojic, RiverWatch Coordinator, at 618-468-4870 or vbojic@lc.edu. Refresher workshops are open to volunteers who have already attended a full training workshop. If you are a new volunteer and have never been formally trained through RiverWatch, please look at the Training Workshop schedule.
